

Imagine You Live in the Library!

A writing and illustrating contest for Children

Preschoolers to 8th Graders

You could be a very large but invisible creature or tiny and mostly unnoticed bug—an alien, a bird, a vampire. Who else could you be? Why do you live in the library? How did you get there? What do you eat? Where do you sleep?

Oh no! Some other creature wants you out! Share your library-living adventure story with us. (Don't forget, use your senses. How do things smell , taste, touch, sound?)
